

```
module_radiation_aerosols  
::aer_property
```

```
graph LR; A["module_radiation_aerosols  
::aer_property"] --> B["radclimaer"]
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text `module_radiation_aerosols` followed by `::aer_property` on a new line. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text `radclimaer`. Both boxes have a black border.

```
radclimaer
```
