graph LR; A[module_radiation_gases] --> B[RRTMG Shortwave/Longwave Radiation]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'RRTMG Shortwave/Longwave Radiation' on two lines. The box on the right is light gray with a black border and contains the text 'module_radiation_gases' on one line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or data flow from the module to the radiation component.
